**STIPULATION AND PROPOSED
 ORDER TO EXTEND THE TIME FOR
 FURTHER MEDIATION BY 30 DAYS
 AND THE DISCOVERY DEADLINE**

23 The parties attended a mediation session with Luella Nelson on March 18, 2008. The case
 24 did not settle at the mediation. Counsel for defendant was out of state from March 21-30, 2008.
 25 Upon his return, discussions between counsel have resumed and both counsel of record believe
 26 that further discussions at a further session with Ms. Nelson would be worthwhile.

27 The case management calendar set by the Court in December 2007 calls for completion of
 28 fact discovery by April 21, 2008. The case management order also limited both sides to 2

depositions and a single set of document requests before mediation. If this matter does not settle, a significant amount of discovery remains to be completed. Under these circumstances, the parties make this request so that their resources may be directed at exploring informal resolution of the litigation rather than discovery.

The first available date on Ms. Nelson's calendar, that the parties and counsel can also make, is April 28, 2008, and discussions are ongoing with the parties' principals to achieve that date.

Therefore, the parties through their counsel of record stipulate to the following and request that the Court sign the attached proposed order:

1. The parties may attend additional mediation sessions with Ms. Nelson, as warranted, through May 14, 2008.
 2. The close of non-expert discovery is extended from April 21, 2008 to June 15, 2008.
 3. The other case management dates remain unchanged. The parties will attend a further case management conference on May 9, 2008 as specified in the case management order.

SO STIPULATED.
